

Dear valued shareholders and stakeholders:

I am writing to provide updates on recent developments at Branded Legacy, Inc. We are excited to share that Total Refinement Solutions, LLC has made significant progress and added revenues, which is a testament to the hard work and dedication of our team. I am delighted to announce that Total Refinement Solutions, LLC has achieved another major milestone. We have successfully extracted Mitragynine for one of our customers. This accomplishment is a testament to the skills and expertise of our team and our commitment to meeting the unique needs of our clients.

Our ability to extract Mitragynine is a significant achievement for us and positions us as a leader in the industry. We believe that this development will enable us to capture new opportunities and expand our offerings, as we continue to explore innovative solutions to drive growth and deliver value to our shareholders.

We would like to take this opportunity to thank our team for their tireless efforts and our customers for their continued support and trust. We are excited about the future and remain committed to delivering excellence in everything we do.

I must address Apple Rush Co., Inc.'s non-payment. We regret to inform you that we were unable to collect necessary payments, and as a result, Elev8 Hemp is still a subsidiary of Branded Legacy, Inc. During this time we happen to make the right contacts and are exploring the opportunity to open a physical coffee shop location with a coffee roaster on site.

We would also like to announce that Reel Skinz, LLC has decided to go in another direction. While we are disappointed to part ways, we respect their decision and wish them the best of luck in their future endeavors.

Furthermore, we are pleased to report that our subsidiary, Magic 1 Promotions, LLC, has shown great revenues in the last two quarters. This is a remarkable achievement, and we are proud of the team for their outstanding efforts.

As we continue to navigate through these challenging times, we remain steadfast in our commitment to driving growth and delivering value to our shareholders. We appreciate your ongoing support and trust, and we look forward to updating you on our progress in the coming months.

Sincerely,
